

EduCare is mobile-friendly and available now on any device! You can use your smart phones, tablets, and computers to view EduCare courses.

CAUTION: STOP DISTRACTED TRAINING!

If you are using a smart device (tablet or phone) please ensure that your Internet connection is consistent. If your internet connection is dropped or interrupted (for example to answer a call, read a text, post on social media), your course may freeze and not give you credit for your time and quiz completion.
